NINETEEN HUNDRED AND FIFTY-NINE

THE WARRIOR

FOREWORD

A record is a keeping of events and happenings. When we left our homes to enter school, we started our record. Since that time an account has been kept of our behavior, sports, activities, classes and accomplishments.

This far, high school has played an important part in our lives but in the future there will be many more records to be kept, each to be lived to its fullest, knowing that never again shall we tread this path.

We now present the twenty-seventh volume of the WARRIOR to show a record of our one hundred and eighty days from September until June at Troutville High School during 1958-59.

DEDICATION

— For your interest in the school,

— For your helpfulness to the Seniors,

— For your guidance toward our future lives,

— For these things we are grateful and therefore we dedicate this, the twenty-seventh volume of THE WARRIOR, to you, our Senior Sponsor, Miss Jean Ferguson.

The Southern Interscholastic Press Association (SIPA) is held annually at Washington and Lee University in Lexington, Virginia for the purpose of uniting journalists from the Southern States.

The WARRIOR won first place award in 1955, and trophy awards in 1956 and 1957.

The Virginia High School League is an organization of the public high schools of the state. The League seeks to encourage student participation in desirable school activities by conducting our supporting programs of inter-school competitions in these fields.

Nancy Gibson, Ronnie Simmons-Business Manager, Doretha Hatcher-Editor, and Mr. J. I. Yates, discuss pros and cons of winning the 1956 and 1957 Southern Interscholastic Press Association and Virginia High School League trophies.

What They Accomplished

Will Be Remembered

1955

In September, 1954, seventy-seven wide-eyed students entered the Eighth grade. Our advisors were Mrs. Elizabeth H. Maddex and J.T. Moore. We began to participate in sports and club activities and found to our surprise that we were finally a part of the school. We elected a President-Mary Woodson, Vice-President-Nancy Potter, Secretary-Dorothy Loyd, Treasurer-Phyllis Gibson, and two S.C.A. Representatives to speak up for our bashful group. They were Sandra Powell and Juanita Conner.

As the year passed, and May rolled around, we had the opportunity of having two girls represent our class in the May Court. They were Sandra Powell and Nancy Potter.

1956

Since time passes quickly, we found to our amazement that forty-eight had survived the Eighth grade and were now Freshmen. That year we elected as President-Nancy Potter, Vice-President-Dorothy Loyd, Secretary-Phyllis Gibson, Treasurer-Sandra Powell, and two S.C.A. Representatives-Mary Woodson and Doretha Hatcher. Phyllis Gibson and Judy Drewry represented our class in the May Court. Our advisors were Mrs. Martha M. Murray and Mrs. Velva S. Sutphin.

1959

In the fall of 1958, twenty-seven students entered Troutville High School as Seniors. Our advisor was Miss Jean Ferguson. Thomas Camper had returned to our class after being away a year to the Augusta Military School and we chose him to lead our class as President. Other officers were Paul Greenway, Vice-President; Phyllis Gibson, Secretary; Doris Hiner, Treasurer; and Wayne Reynolds, S.C.A. Representative. We ordered our rings and measured for our caps and gowns. We chose blue and white as our class colors and the white carnation as our flower.

The year kept us busier than ever in clubs, sports, and work. Outstanding Seniors were: Nancy Petty, President of the S.C.A.; Doretha Hatcher, Editor of the Yearbook; Ronnie Simmons, Business Manager of the Yearbook; Nancy Potter, President of the Beta Club; Nancy Petty and Nancy Potter, Co-editors of the school newspaper; Sandra Powell, President of the F.H.A.; Ronnie Simmons, Co-captain of the boys basketball team; Ronnie Simmons and Thomas Camper, Co-captain of the football team; and Edna Jones, Co-captain of the girls basketball team.

As the year ended, we, the last Senior Class of Troutville High School, looked back over the long twelve years and know that our record will stand in history to show our success and accomplishments.

1957

Our half-way mark was reached in 1956. Our class had decreased in number and there were only thirty-six Sophomores. The year flourished with activity and we found ourselves taking more part in school activities. Our officers were elected and we chose William Greer, President; Wayne Reynolds, Vice-President; Marie Patterson, Secretary; Juanita Conner, Treasurer; and Doretha Hatcher, S.C.A. Representative.

Three Sophomores were chosen to work on the yearbook. They were Nancy Gibson, William Greer, and Douglas Tate. In the spring, Nancy Gibson, Doretha Hatcher, and William Greer attended the S.I.P.A. Convention held at Lexington.

The boys were doing good in basketball this year and went as far as the district. Ronnie Simmons represented our class on the team. While Nancy Gibson was selected as a cheerleader; Doretha Hatcher and Sandra Powell found an interest in basketball.

Clubs that caught the student's eye were Glee Club, Monogram Club, F.H.A. and F.F.A. Club. Nancy Petty and Dorothy Loyd represented our class in the May Court. Mrs. Martha M. Murray was our advisor.

1958

Juniors already! We could hardly believe it. There were many events that took place that year. Two new members were added to the yearbook staff. They were Doretha Hatcher and Ronnie Simmons. Ronnie Simmons, Ronnie Smith, and Fred Holley made the football team; Doretha Hatcher, Sandra Powell, Edna Jones, and Nancy Petty played on the girls basketball team; the boys played in the state tournament and won second place. Nancy Gibson, Doretha Hatcher, and Nancy Potter were tapped for the Beta Club. Doretha Hatcher and Nancy Potter represented our class in the May Court.

As we were busy scheming and planning a way to make money to give the Seniors a banquet, we decided to give our Junior Play, "You're Telling Me". The banquet was rewarding and a good time was shared by all. Mrs. Madeline Bunn was our advisor.

COMMENCEMENT

Perhaps you have been thinking of this occasion for some time. Graduation is only the beginning of a brighter future. We hope that it is a "commencement" of greater things to come.

In America we enjoy the world's highest standard of living. If we are to continue to enjoy these benefits, we must have better trained men and women. We need more scientists; more trained engineers; and better qualified people in all walks of life. It's your future — use it wisely.
